

## BOOKS ABOUT BEATRIX POTTER

The Society has its own active publishing programme, details of which can be found in our 'List of Publications'. As well as *Beatrix Potter Studies* - the talks given at our International Study Conferences - this includes other works of original research and edited collections of letters. All are available via our website or the 'List'.

Below, in order of publication date, is a selection of recommended books about Beatrix Potter published elsewhere, all illustrated, many with bibliographies. Unfortunately a number of these books are now out of print, but they are available from good libraries, and second-hand on the internet or from book dealers.
